**LETTER RE: FIRST INVENTOR'S NAME**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Attention is directed to the fact that, in the English translation of the PCT Request and the cover page of the International Publication, the name of the first inventor is indicated as "Masashi". However, it should read "Atsushi". This difference stems from the fact that Chinese characters can be read in many ways. The error was not corrected in the international stage, and therefore, PCT/IB/306 has not issued.

It is respectfully requested that the Official Filing Receipt reflect the correct spelling of the first inventor's name as set forth in the attached executed Declaration.

Respectfully submitted,

Masashi HAMADA et al.
